

ITRC (Interstate Technology & Regulatory Council). 2023. Managed Aquifer Recharge Guidance MAR-1. Washington, D.C.: Interstate Technology & Regulatory Council, MAR Team. <https://mar-1.itrcweb.org/>.

Acknowledgments

The members of the Interstate Technology & Regulatory Council (ITRC) Managed Aquifer Recharge (MAR) Team wish to acknowledge the individuals, organizations, and agencies that contributed to this product.

As part of the broader ITRC effort, the Managed Aquifer Recharge Team effort is funded primarily by the U.S. Department of Energy. Additional funding and support have been provided by the U.S. Department of Defense and the U.S. Environmental Protection Agency.

The MAR team was led by Kelsey Bufford of the Oklahoma Department of Environmental Quality and Kris McCandless of the Virginia Department of Environmental Quality.

Team leaders were assisted by program advisors Jim Rocco and Lesley Hay Wilson of Sage Risk Solutions LLC.

The work team also wishes to recognize the efforts of the following individuals:
